

AMERICAN LEGION ANNUAL FUNDRAISER

Giving hope & support to those who served

Founded in 1919, The American Legion has been a leading advocate for veterans and their families. The four pillars of the American Legion: Veterans & Rehabilitation, National Security, Americanism, & Children & Youth form the foundation and basis for all our programs. Conroe Post 411 plays a large role for our local veterans and community from volunteering where needed, sponsoring students in various events, sharing guidance for receiving benefits, to providing financial assistance for our veterans (and their widows & orphans) when in crisis.

Each year our members invest thousands of volunteer hours aiding the veterans and our community. In recent years, the call to help has grown significantly. Montgomery County has over 35,000 veterans, so their diverse needs continue to grow. Where we used to receive 6-8 requests for assistance each year, we now see an average of 4 per month with numbers continuing to rise.

RAFFLE AND BBQ PICNIC

American Legion Conroe Post 411 & Auxiliary Unit 411 will be hosting a raffle beginning Memorial Day weekend. The raffle will culminate with the prize drawings held at our Veteran's Day BBQ on November 15, 2025. The purpose of this fundraiser is to raise awareness, support our local veterans, increase membership, and have another successful year serving our outstanding community in Conroe, TX.
